

320 – Bullying, Cyber-Bullying, Hazing, Abusive Conduct and Retaliation Policy

Bullying, cyber-bullying and hazing of students and employees are prohibited, are against federal, state and local policy, and are not tolerated by George Washington Academy (GWA). GWA is committed to providing all students with a safe and civil school environment in which all members of the school community are treated with dignity and respect. To that end, GWA has in place policies, procedures, and practices designed to reduce and eliminate bullying, cyber-bullying, and hazing—including civil rights violations or actions based on a student’s or employee’s actual or perceived race, color, national origin, sex, disability, religion, religious clothing, gender identity, sexual orientation, or other physical or mental attributes—as well as processes and procedures to deal with such incidents. Bullying, cyber-bullying, and hazing of students and/or employees by students and/or employees will not be tolerated in GWA.

School officials have the authority to discipline students for off-campus speech and behavior that causes or threatens a substantial disruption on campus or during school activities, including violent altercations, or a significant interference with a student’s educational performance and involvement in school activities. If after an investigation, a student is found to be in violation of this policy, the student shall be disciplined by appropriate measures up to, and including, suspension and expulsion, pursuant to Utah Code Section 53G-8-205 and, loss of participation in extracurricular activities, and/or probation. If after an investigation, a school employee is found to have violated this policy, the employee shall be disciplined by appropriate measures up to, and including, termination.

Factors that GWA may consider in determining whether a substantial disruption has occurred are:

 - c. whether any part of the speech that gave rise to the incident was repeated at school;

 - e. whether there is a widespread whispering campaign or rumor sparked by the off- campus incident that disrupts the school environment and students’ abilities to focus on school;

320 – Bullying, Cyber-Bullying, Hazing, Abusive Conduct and Retaliation Policy (cont.)

- g. whether speech similar to the off-campus speech in this incident has occurred in the past and has resulted in violence or near violence at school;
- h. whether there is a negative effect on classroom activities as a result of the off-campus incident;
or
- i. whether the speech was violent or whether there is a history of violence from the student/s who initiated the speech (Note: true threats are not protected by the First Amendment if it advocates “imminent” violence or unlawful conduct. Thus, a message that threatens physical harm, even if it isn’t meant to be serious, may not be protected by the First Amendment and the person who utters such a message may be disciplined by GWA.).
