

VISION SCREENING SCHEDULED

"Children with impaired vision often are not aware of their impairment; therefore, they do not complain or seek help."
(National Association of School Nurses)

September 28th - 29th

GEORGE WASHINGTON ACADEMY

In accordance with Utah law 53A-11-203 GWA will conduct a vision screening on the above dates for select students. Additional vision screenings may be performed throughout the year if a need is identified. Please be advised that a **vision screening is *not* a substitute for an eye examination by an eye care specialist.** If your child does not pass the screening, a referral will be sent to you through the mail and will be reported to the Utah State Division for the Blind and Visually Impaired.

Please indicate below if you **DO NOT** want your child to participate in this screening, and return the form to the school. **If you do not return the form, consent will be assumed.**

I DO NOT WISH for my child, _____, to have a vision screening this school year.
