

Requesting Personal or Professional Leave

Employees must complete a Leave Request Form as far ahead of time as possible and notify their Supervisor or team lead. All Leave Requests are done online through the Red Apple Portal. Please see Procedure for Leave Request. Substitute teacher plans must be turned in at the time the leave request is submitted unless otherwise authorized by the Executive Director. Faculty and Staff may not take Personal Leave during the first or last week of school, during CRT Testing, or during SEP weeks, unless it is first approved by the Executive Director or is an emergency. All personal leave must be pre-approved by the Executive Director or Administration unless it is for illness.

Worker's Compensation

George Washington Academy complies with applicable state and federal laws concerning leave time for work-related illness or injury. All employees are automatically covered by Worker's Compensation Insurance at the time they begin employment at the GWA. Certain benefits are provided to a qualified employee who sustains a work – related injury in accordance with the Workers Compensation laws.

All work-related injuries **MUST** be reported immediately to the Executive Director or Personnel Administrative Assistant.

Requests for Emergency leave may be granted at the discretion of the Executive Director or his/her designee and must be made in writing. Available PTO days must be used for emergency leave.

An individual who has used all eight (8) of their personal days may request to use emergency leave in the event of extenuating circumstances that require additional personal leave in a given year. The use of emergency leave requires approval of the Executive Director and shall be signed off on by the Board Chair or his/her designee.

No more than two (2) days per year may be granted for emergency use at the cost of \$100 per day (average cost of substitute teacher plus administrative time/hourly rate) for full-time, teaching employees, only. General Provisions for Any Leave of Absence:

A request for an extension of a leave of absence must be made in writing prior to the expiration date of the original leave, and when appropriate, must be accompanied by a physician's written statement that certifies the need for the extension. Failure to return to work on the first workday following the expiration of an approved leave of absence will be considered a voluntary termination.

Any benefit premiums that an employee owes are to be paid whether an employee's leave is with or without pay. Arrangements may be made with the Business Manager to pay premiums in advance or during a leave of absence.

If the employee does not return to work following a leave of absence, he/she will be required to reimburse GWA for the employer portion of the employees' health insurance premium that was paid during a leave of absence.
