

This road is not yet complete. Eventually you can use this road to exit.

Entrance to the school will only be accessible from the back of the school. Exits will now be on 3000 East.

Parking only. You will need to get out of your car to get your child/children.

There will only be one line to the front and will drop-off and pick-up on the school side.

There is one line to the back. Students will need to enter the car from the door behind the driver.

Parking only. You will need to get out of your car to get your child/children.
